It is with deep sadness, but great hope (1 Thess. 4:13-14), that we inform you our CHS Librarian, Mrs. Penny Wehrle, went home to be with the Lord early on Sunday, June 11. Having successfully fought cancer during 3rd quarter of 2016-17, our dear sister in the Lord returned to her duties -- joining us for 4th quarter. While vacationing in Alaska recently, she experienced some complications. Her battle with cancer is now over and she is enjoying complete healing in the presence of our Savior. We rejoice with her, but grieve along with her husband (Bill), her children, grandchildren, and countless others of us whose lives she touched with her servant's heart. Please pray for her family and loved ones left behind; please pray for students who knew and loved her; please pray for faculty/staff at Christian. We are grateful for the many years Mrs. Wehrle served at CHS. She will be greatly missed. Penny's family has set up a memorial fund for donations - please [click here](#).
